BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

The question of supply of good drinking water to Robertsonpet by connecting it with the Bethamangala water supply system has been dealt with in detail in

NOTES—First sheet.

MGCPB—30,000—17 2-05.

Colln. Inspector's Dept. file.

L B file no 175 of 05. The Sanitary Board requested for a loan of Rs 14370/- to meet the cost of the work promising to repay it with interest by 8 or 9 annual instalments. This amount if ordered to be repaid in 8 years, the annual instalment will be Rs 2376 & if in 9 years it will be Rs 2176. The Board expect an additional income of Rs 1500 a year from water tax. As the Secretary P. W. D who was consulted unofficially in the matter expressed doubts regarding the supply in the tank & whether the tank would fill or not, Government in their order no 7489-90 dated LB 175-05-) - 4

L

the 18th January 1906 stated that this matter could be dealt with only in July 06 according to the Chief Engineer's forecast of water supply of the Bethamangala tank.

4 The level of water in the Beturantala tank is at present only a few inches above the level at which it was this time last year; so at present we cannot guarantee any supply to Robertsonpet. If the tank fills this year, I am in favour of giving the town its water supply: but there is no provision for the work in the P.W.D budget
